Revised Evaluation & Treatment Protocol Form

Ms. Smith stated that she made the changes to the evaluation and treatment protocol (E&T) the Committee requested. After reviewing the revisions to the document, the Committee recommended additional changes to the Alternate Supervising Physician form (Appendix A).

Scope of Practice Question

The Committee reviewed the following question submitted from an exercise physiologist working with a sports medicine physician in Maryland, "If an exercise physiologist working with a sports medicine physician is showing a patient how to accurately/safely perform the exercises for a home program, would this be considered the practice of athletic training. The Committee determined an exercise physiologist can perform these tasks without an Athletic Trainer's license.

Financial Disclosure Requirements for Allied Health Committee members

Ms. Wright reminded the Committee members that the deadline date for submitting Financial Disclosure Statements is April 30, 2017. She also informed the Committee that members whose terms expire on June 30, 2017, are required to complete a Termination Disclosure form.
