**NEW BUSINESS**

**Inquiry**

The Committee reviewed the inquiry from Maureen Thompson, an athletic trainer who requested clarification as to whether the duties she was asking to perform while working in a non-profit facility with senior citizens were within the scope of practice of athletic training. After a brief discussion, the Committee tabled their response pending its receipt and review of a copy of the athletic trainer's current job description, a list of duties and her answers to the following questions.

1. Is Dr. Thomas Brandon still your supervising physician? If so, are you still employed at Peninsula Orthopedic Associates.
2. As a consultant, are you providing athletic training services or strictly recommending care?

### **Rachel Kazman – E&T Protocol w/Specialized Task**

The Committee reviewed and recommended approval of Ms. Kazman's E&T Protocol to the Board. As it relates to Ms. Kazman's Specialized Task application, the Committee recommended approval of her request to perform short-arm casting. However, the Committee tabled its review of her request to perform Phlebotomy pending its receipt and review of her answers to the following questions:

1. How many hours of training did you complete in order to obtain your Phlebotomy certification?
2. How many blood draws or venipunctures have you completed?
