On a motion made by Mr. Sataloff and seconded by Ms. Jeffers, the Committee unanimously voted to recommend that the Board disapprove the following Evaluation and Treatment Protocol. The Committee determined that the athletic trainer did not meet the criteria for approval of Evaluation and Treatment Protocols established in Health Occupations Article, §14-5D-01(p) and COMAR 10.32.08.06. Specifically, the Committee found that the proposed practice was not within the scope of athletic training because it does not concern managing athletic injuries for athletes.
