LEGISLATION, REGULATIONS, AND POLICY UPDATES

Draft Regulations

Mr. Dudzic informed the Committee that draft regulatory changes that were required to come into alignment with HB 560 (Ch. 612)/SB 395 (Ch. 613), the Sunset Extension and Program Evaluation, as well as SB 732 (Ch. 579), Athletic Training Revisions are in process. Mr. Dudzic provided the Committee with details about numerous changes to the regulations.

The Committee had concerns about the approval of a specialized task submitted with an E&T Protocol (Protocol). Ms. Darin, Ms. Wright, and Ms. Farrelly informed the Committee that Protocol will be approved if it meets the requirements for approval, and specialized tasks that have not been previously approved will still have to be submitted to the Committee and the Board for approval.

On a motion made by Mr. Sataloff and seconded by Mr. Shipley the Committee voted recommend approval of the draft regulations to be sent to the Board for comments and approval.

Dr. Omohundro asked if the changes to the regulations will change the requirement of the ATAC to meet monthly. Ms. Farrelly informed the Committee that the Committee will now be required to meet only when they have business to discuss which may not be monthly. Ms. Wright informed the Committee to keep the 2nd Tuesday of the month on their schedule as meetings will be held when needed.

ADJOURNMENT
