

Practitioner Profile Updates

Do you need to change your mailing or primary practice address with the Board?

Do you need to update your email address?

Do you need to add/delete Hospital Privileges?

All licensed practitioners can edit/change their demographic information through the Online Practitioner Profile. The changes you submit through the profile update to the Board's internal database within 24 hours.

The steps to change your profile are as follows:

1. Go to the Board's website at <https://www.mbp.state.md.us/>
2. On the right hand side of the home page click "Practitioner Profiles" (see Figure A)

- ▶ New Physician Orientation
- ▶ Change My Address | Edit Profile

Figure A

3. Type in your license number under the heading, “Are you a licensed practitioner and need to create/edit your profile information?” (see Figure B)

The screenshot shows a web browser window with the URL <https://www.mbp.state.md.us/bpqapp/>. The page title is "Maryland Board of Physicians Practitioner Profile System". The main content area is yellow and contains two search sections. The first section, "Practitioner Profile Search", has two input fields: "By Practitioner's Last Name" and "By License Number (X99999-drop 2 leading zeros)". Each field has "Submit" and "Cancel" buttons. A red arrow points from the "By License Number" field in the first section to the second section. The second section, "Are you a licensed practitioner and need to create/edit your profile information?", has a single input field labeled "By License Number (X99999- drop 2 leading zeros)" with "Submit" and "Cancel" buttons.

Figure B

4. Complete the initial registration screen (see Figure C)

The screenshot shows the "Practitioner Registration" form within the "Maryland Board of Physicians Practitioner Profile System". The form is yellow and contains the following fields and options:
