

2017 DEADLINE DATES FOR DELEGATION AGREEMENTS WITH ADVANCED DUTIES

These deadline dates pertain to PAs submitting delegation agreement addendums for advanced duties who are either:

- Employed by an accredited hospital or surgi-center, but the hospital's or surgi-center's governing body has not approved a delineation of privileges allowing the PA to perform the requested duty (duties): OR
- Private practice, detention center, public health facility, correctional facility.

The Physician Assistant Advisory Committee (PAAC) must review the delegation agreement addendums for advanced duties prior to going to the Board for approval. Deadline dates for Board materials may be due before the PAAC meets. Therefore, addendums will be presented at the next available Board meeting for approval after the PAAC has reviewed them.

The Maryland Board of Physicians **must** receive the advanced duties addendum by the published deadline date to be considered for Board approval. **The Board will not accept faxed copies of delegation agreements addendums.**

Reminders:

1. **Delegation Agreement Addendum:** Complete and sign all sections of the delegation agreement addendum (DAA) for advanced duties. DAAs may be returned to the PA for the following reasons:
 - a. Incomplete sections;
 - b. Missing signatures;
 - c. A copy of signatures instead of the original signature.

2. **Copies:** BOTH Physician Assistants and Primary Supervising Physicians should keep a

copy of the delegation agreement for their records **PRIOR** to mailing. **If you request a copy of the delegation after it was mailed, it may take up to 30 days to receive the copy.**

3. **Delegation Agreement Addendum for Advanced Duties:** Supporting documentation, i.e., delineation of privileges, description of education, training and experience, certificates, procedure logs, etc., must accompany the DAA. *The processing of the DAA will be delayed if the appropriate supporting documentation is not included. The delineation of privileges must be accompanied by an approval letter from the governing body, e.g. Board of Trustees, CEO/President.*
4. **Approval Letter:** The approval letter will be emailed to the supervising physician and the physician assistant. Please be sure to provide a valid email address.
5. **Prescriptive Authority:** If the primary supervising physician delegates the prescribing of **controlled dangerous substances** to a physician assistant. The physician assistant must:
 - a. Obtain a Maryland Controlled Dangerous Substance (MCDS) license from the Office Controlled Substances Administration. Include a copy of your approval email with the request for MCDS; and
 - b. After obtaining an MCDS license, register with the Drug Enforcement Administration (DEA).
6. **Reporting Changes in Employment Status:** Hospitals, related institutions, alternative health care systems, or employers are required to report to the Board any termination of employment of the physician assistant for any reason, including quality of care issues within 5 days of the termination.

Hospitals, related institutions, alternative health care systems, or employers are also required to report to the Board within 5 days any limitation, reductions or other changes of employment of the change of employment that might be grounds for disciplinary actions under Health Occupations Article, §15-314.

****Please note: Asterisks (*) indicates meeting scheduled accordingly due to holidays.**

DELEGATION AGREEMENT ADDENDUM FOR ADVANCED DUTIES

Note: This application is an addendum to your approved delegation agreement. You may use this form if you have an approved delegation agreement on file with the Board. You may also submit this addendum with a new delegation agreement, if applicable. Be sure to include the appropriate documentation.

All delegation agreement addendums for advanced duties must be filed with the Board.

Dear Primary Supervising Physician and Physician Assistant:

The attached application reflects the changes to the law that went into effect on October 1, 2010. The new law changes the processing of requests to perform advanced duties in some practice settings.

The Board is no longer required to provide prior approval of a delegation agreement containing advanced duties for physician assistants who are employed by accredited hospitals and accredited ambulatory surgical facilities if the facility meets certain criteria.

A PA credentialed by an accredited facility may begin working after the Board receives the completed delegation agreement with the advanced duties and acknowledges receipt of the delegation agreement containing advanced duties.

For non-accredited hospitals, non-accredited ambulatory surgical facilities and other types non-accredited practice settings, PAs must obtain prior Board approval before they begin practicing any advanced duty. PAs in these practice settings are required to submit training and education documentation.

DELEGATION AGREEMENT ADDENDUM FOR ADVANCED DUTIES

FOR ALL PRACTICE SETTINGS

This application is an addendum to your approved delegation agreement. You may use this form if you have an approved delegation agreement on file with the Board. You may also submit this addendum with a new delegation agreement, if applicable. Be sure to include the appropriate documentation.

Instructions and Important Information

1. **Practice Setting:** Choose the appropriate setting where procedure(s) will be performed. If the setting is accredited, provide the name of the accrediting agency. Accredited settings are specific to hospitals and ambulatory surgical centers.
2. **Physician Assistant Information:** Complete all requested information.
3. **Primary Supervising Physician Information:** Complete all requested information.
4. **Practice Location:** Complete this section. For more than one practice setting, use a separate sheet of paper.
5. **Practice Contact Information:** Complete all requested information. The Board will email notification, approval or temporary practice letters to the PA and the primary supervising physician. This may be the only communication you receive. Please provide a valid email address. It is the responsibility of the PA to provide copies of the letter to the medical staff office, office manager, etc. of the practice.
6. **Scope of Practice:** Choose appropriate scope of practice.
7. **Delegated Advanced Duties*:** List the procedure(s) that are being delegated to the PA. Examples: Cosmetic procedures, lumbar punctures, central/arterial line insertions, endoscopic procedures, stress testing, etc.
8. **Approval by an Accredited Healthcare Facility. For this question, please check the appropriate box (A, B, or C).**
 - A. PAs employed by an accredited health care facility** or ambulatory surgical center** and who have been credentialed to perform the requested procedure(s) must submit an approved delineation of privileges containing the requested advanced procedures. *The delineation must be approved by the hospital or ambulatory surgical centers governing body, e.g. Board of Trustees, president, CEO.*
 - B. As employed by accredited hospitals or ambulatory surgical centers who have not been credentialed to perform the requested procedures must submit a procedure log for each requested procedure.
 - C. PAs employed in any other practice setting must submit a procedure log for each requested procedure.

*Advanced duties” means medical acts that require additional training beyond the basic physician assistant education program required for licensure.

**Accredited by The Joint Commission, the American Association for Accreditation of Ambulatory Surgical Facilities, the Accreditation Association for Ambulatory Health Care or certification to participate in the Medicare program, as enacted by Title XVIII of the Social Security Act.

Instructions and Important Information Continued

- **Procedures logs should include at least 10-25 of each successfully completed procedure, the date of the procedure, type of procedure, the name of the PA and the signature of the supervising physician attesting that the PA completed the requested procedures.**
 - **Procedures logs should not include the name, date of birth, or social security numbers of the patient.**
9. **Qualifications of Physician Assistant:** Provide a detailed description of the additional training and education that prepared the PA to perform requested procedures. Please attach copies of training certificates or other documentation of training.
10. **Qualifications of Primary or Alternate Supervising Physician:** Complete this section if the delegated medical acts are outside the normal scope of practice of primary or alternate supervising physician. Physicians who are delegating cosmetic procedures must meet the criteria in COMAR 10.32.09 Delegation of Cosmetic Regulations before they may supervise a PA. **See Appendix C**
11. **Supervision:** Choose one or more methods of supervision.
12. **Attestations:** The primary supervising physician must complete this section.

APPENDIXES

Appendix A—Temporary Practice Letter: For delegation agreements with advanced duties that require prior Board approval, the PA and primary supervising physician may apply for a temporary practice letter. The Board may approve a temporary practice letter if:

- The Board previously approved the primary supervising physician to supervise one or more physician assistants in the performance of the requested advanced duty; **AND**
- The Board previously approved the physician assistant to perform the advanced duty.

If eligible, please complete Appendix A attached to this application.

Appendix B— Advanced Procedures: The advanced procedures list is meant to be used as a guide in determining what is considered an advanced procedure. This list is not all inclusive. If you have any questions about a procedure that is not on this list, please contact the Board.

Appendix C—Cosmetic Regulations: Physicians delegating cosmetic procedures must meet the criteria outlined in COMAR 10.32.09.

IMPORTANT NOTICE

- The Board is no longer required to provide prior approval of a delegation agreement containing advanced duties for physician assistants who are employed by accredited hospitals and accredited ambulatory surgical facilities if the facility meets certain criteria.
- A PA credentialed by an accredited facility may begin working after the Board receives the completed delegation agreement with the advanced duties and acknowledges receipt of the delegation agreement containing advanced duties.
- For non-accredited hospitals, non-accredited ambulatory surgical facilities and other types non-accredited practice settings, PAs must obtain prior Board approval before they begin practicing any advanced duty. PAs in these practice settings are required to submit training and education documentation.
- Pursuant to §15-302.1(e), the Board is authorized to disapprove any delegation agreement not meeting the requirements of the law or if the Board believes that a PA is unable to perform the delegated duties safely.
- A primary supervising physician is required to obtain the Board's approval of a delegation agreement before the physician assistant may administer, monitor or maintain general anesthesia or neuroaxial anesthesia, including spinal and epidural techniques under the agreement.
