Dear Primary Supervising Physician and Physician Assistant:

- Attached is the delegation agreement for core duties. The fee for the delegation agreement is $200.00. Please complete the form in its entirety. a. FOR PRIMARY SUPERVISING PHYSICIANS IN ANY SETTING. The physician assistant (PA) will practice only within the scope of practice of the primary supervising physician (PSP) or a designated alternate supervising physician (ASP). b. I understand that completing this agreement in bad faith, completing a false or misleading agreement, or the failure to perform the supervision provided in the agreement, constitutes unprofessional conduct in violation of Health Occupations Article Section 14-404(a)(3), Annotated Code of Maryland.

c. In non-emergent situations, the policy of my practice is to notify patients in advance (ideally at the time of scheduling), if a physician assistant will be the treating practitioner.

d. The policy of my practice is that either the PA or I discuss the nature and purpose of the proposed treatment or procedure; the risks and benefits of not receiving or undergoing the treatment or procedure; alternative treatments and procedures; and risks or benefits of alternative treatments or procedures with all patients.

e. I will report to the Board, within 5 days:
   - Any termination for any reason, including quality of care issues; or
