Policy - Board and Panel Meetings during Inclement Weather

During inclement weather, the Board of Physicians (Board) will follow the protocol for delays, closings and early dismissals of the Baltimore City School System for its Board and panel meetings.

The start time of the Board and panel meetings will be delayed by the same amount of time that the Baltimore City Schools are delayed.

When Baltimore City Schools are closed, the Board and panel meetings will be cancelled and will be re-scheduled.

If there is early dismissal of the Baltimore City Schools, any Board or panel meeting scheduled after the announced time of the early dismissal will be cancelled. Board and panel meetings already in progress at the time of the early dismissal will be handled on a case by case basis.

Effective January 13, 2014
