CHAIRMAN'S REPORT

Noting a quorum of the Board present, Dr. Elder, Chair called the meeting to order at 9:13 a.m.

Dr. Elder introduced Dr. Laura Herrera, DHMH, Chief Medical Officer, to address the Board regarding the selection process of the Board Chairman. She stated based on feedback from Board members there were multiple qualities and criteria which a Board chairman should meet. Some of the responsibilities of the Board Chair include: testimony, attendance at the Board and subcommittee meetings, and annual FSMB meeting, receiving calls, and management of political issues. The qualities needed range from time commitment, workload, good public speaking, and previous experience with chairing a committee, leadership, personnel, writing ability and flexibility. Dr. Herrera stated she will continue to accept additional feedback from Board members to assist in this process.

Dr. Elder stated that he, Ms. Contee, Ms, Harrison, Dr. Gupta and John Papavasiliou attended the Federation of State Medical Boards centennial meeting held in Fort Worth, Texas. Dr. Elder reported one of the highlights presented during the meeting was information that the most popular prescription drug being abused is Oxycontin. He stated many of these prescriptions are being written by Maryland physicians. He reported there was a proposal made for a "platinum certification of licensure" which would authorize a physician to practice in multiple states. He informed the Board there was also discussion that the Federation would present a national plan for licensure in all states to the legislature. Dr. Elder encouraged Board members to attend the Federation's annual meeting next year.

Dr. Elder presented Ms. Catalfo with a plaque from the 100th Meeting of the Federation of State Medical Boards.
