A **Perfusionist-Basic** license expires two years after it is issued and is not eligible for renewal or extension. A **Perfusionist-Advanced license** is for applicants who are currently certified by the ABCP as a CCP.

The application fee for both types of licenses is **\$300.00** and is **non-refundable**. Please make your check or money order payable to: **Maryland Board of Physicians**. Mail your application and check to:

Please make sure your contact information is current.

Documents submitted to support your application must come directly from the source. For example, verification of education must come directly from your school. Verification of national certification must come from the national certifying body and verification of other licenses must come from the state board that issued your license.

Board staff will not disclose the status of your application to another party unless you have completed the Third Party Option on page 7 of the application or provided documentation allowing staff to disclose the status to another party. Other parties include family members, friends and future employers, etc.

The Board reviews applications in order of receipt. If your application is **missing information**, you will be contacted by **email** within 10-15 days. The email will list the information that is required to complete your application. You have 60 days to submit the required information. If you do not submit the required information within 60 days of the date of the email, your application will be closed, and a new application and a fee will be required.
